The **RAMSEY TRAVEL BASKETBALL ASSOCIATION** is an organized group of Ramsey parents, coaches, and community leaders dedicated to the development and maintenance of competitive youth basketball in our town. Our mission is to encourage and promote basketball in Ramsey for boys and girls grades 3-8. The program strives to provide a fun, safe, environment to play basketball, while producing teams that are able to compete at the highest levels in the tournaments and leagues that surround our community.

About RAMSEY TRAVEL BASKETBALL

- RAMSEY TRAVEL BASKETBALL is a volunteer based program and is run non profit.
- RAMSEY TRAVEL BASKETBALL is a **competitive** travel basketball program with approximately 14-16 league games and approximately one to two practices per week.
- RAMSEY TRAVEL BASKETBALL starts in November and ends in March. It is a **SIGNIFICANT COMMITMENT** for both parents and players. Players are expected to attend **every practice**.
- Teams will average 10 players. Some teams will have more than 10, some less. Players that make a team will be offered a spot on a **specific team**. The offer is for that team only. Many grades do have cuts.
- All Ramsey residents and anyone who attends a Ramsey School are eligible to try out.
